BULLETIN OF THE CANTON AMATEUR RADIO CLUB
Affiliated with the "American Radio Relay League"

OFFICERS FOR THE COMING YEAR 1962 - 1963

Front row:- K8RMV. K8MZS. K8LBZ.

Second row:- K8MZT - W8OYV - W8HR - K8KTM

CANTON AMATEUR RADIO CLUB, INC.

VOL. 3

OCTOBER 1962

No. 10

Monthly bulletin of the Canton Amateur Radio Club, Inc.

Affiliated with the American Radio Relay League

A member of A. R. E. A.

Club Station W8RTR affiliated with local Red Cross chapter and AMCROSS system.

OFFICERS

President: Charles Rex K8MZS

Vice President: John Edel K8LBZ

Sect./Treas. Lawrence Schmader K8RMY

TRUSTEES

John Blazekovich K8KTM Henry McLaughlin W8OYV

Shirley Rex K8MZT Clarence R. Roy W8HR

Bob Van Nostran K8DRS Carmella Cicerello W8NAL

Meetings are held 1st and 3rd Wednesday of each month at the Red Cross Building - 123 - 3rd Street S.W. Canton, Ohio.

"The FEEDLINE" is the official organ of the CANTON AMATEUR RADIO CLUB, INC. mailed monthly to all club members, to others on request. Donations welcome to help defray the cost.

ELECTION 1962

Across the page you will notice that a change of officers has taken place. Most names are the same but their places have changed.

The line up looks like this for 1963.

President: Charles Rex K8MZS 2225
Mt Vernon Blvd NW.Canton

Vice Pres: John Edel K8LBZ.543 Gros-
venor Dr NW.Massillon

Secretary & Treasure: Lawrence Schmader
K8RMY. 3726 12th ST SW. Canton 10

For trustees John Blazekovich K8KTM
And Henry Mc Laughlin W8OYV were
elected for three year terms.

Bob Van Nostran K8DRS was appointed
to serve the unexpired term of John
Edel, as was Carmella Cicerello W8NAL,
to serve the unexpired term, made
vacant by the resignation of Nolan
Walker W8ADQ.

Clarence Roy W8HR and Shirley Rex
K8MZT remain for two years.

We ask that you continue to support
the new officers and may C.A.R.C.continue
to grow through the combined efforts
of all club members.

The project with priority is the work
shop. A room has been acquired from the
Stark County Building (The old St Fran-
cis Hotel).

(con)

Project

The work shop project is in need of chairs and a couple of tables suitable for work benches.

Please contact Charles Rex or any officer of the club should you know where these items may be acquired .

VHF QSO PARTY

The vhf group made a FB showing in the VHF qso party. The score card follows.

Freq Mc	Contacts	Sections
50	223	10
144	82	7
220	9	3
420	15	1

Claimed score 7413 points. A total of 18 operators saw operating duty. Operations were from the trailer of of K8MZZ parked on top of Mt Keeton, the QTH of K8OBW. Intercommunications between the 6 & 2 meter installations were held on 420 Mc.

We understand that Edith K8VKT,XYL of K8OBW did a great job of keeping the coffee pot going and also introduced some of that southern fried chicken she is noted for.

Thanks to Chuck and Edith for being host to the VHF gang.

DX was the state of Maryland worked on 6 meters, while a VE3 Ont section was worked on 2.

HAM GOSSIP

This month we believe that the beams have it.

Ed Thompson K8QNT has a new TA33-Jr. The antenna party consisted of K8JZN, K8NJH, K8QVK and K8WVG.

Jim Foltz K8SWE is getting all set for SS and DX with a new TH-4. By the way we notice via QST that Jim run 15.552 points in the DX contest. FB Jim.

Charles (Chuck) Cramer is also erecting a new bird roost (TH-3). The technicians will be W8TUY and K8SWE, how about you guy's putting the right tension on that */? - # " & relay spring ?. Chuck will not be firing up the HX-50 as yet, seems as though a little RAID is needed.

Bill Parks K8JZN has conceded to SSB, with a HX-500.

Frank Dearman W8TUY also has changed his voice, with a HX-20 the mobile SSB rig. Have never heard the station, but comments have been most favorable.

Speaking of beams, on 28.8 that is. We gather that Gene W8YAB is rotating his vertical. Several methods have been suggested as to how this is being done. The chicken wire reflector and rotating the tower seems to work best. Listen and You will find out.

The fund to buy Carmella (W8NAL) a tower, has been pegged the Mystery of the Bogus Buck. To date more than \$1000 in rubber dough has been received. The last from Hawaii. I bet at least \$5 goes on Blue-boy in the fifth.

Larry Gladville K8UBK received QCWA #3262 and Myrhl Lemley W8MND #3305.

Bill Sayer K8ZXG has a new QTH and is looking for a rotor. Hope to hear you on soon, Bill.

WBNTQ continued

Ed: Our underground informs us that our old friend Bob Jones K3RXO, that many of you know, is also working at Ft Mead Maryland Md with ex WBNTQ.

A/2c Galen Miller

Apo 406 N.Y. N.Y.

Sorry I can't be around to take part in the club activities for a couple more years.

It sounds real fine. I am over here in CT2 land (Azores) in the Air Force. I'm a Radio Relay Equipment Repairman (Microwave) and am presently out at the receiver site, with all the receivers and miles of antennas. I can listen to a lot of you guys back home, too bad I can't talk to you.

I wonder if you could tell me how much a subscription to your "FEEDLINE" newspaper would cost? I'd like to get it. Lots of luck and 73

Galen D. Miller
W8BYK

Ed: There is no charge for the FEEDLINE. To do so, we would be obligated to meet a monthly publication, Note page one.

We would like to thank Jesse Minear K8QHQ and Earl Marshall W8MAQ for their support to the Feedline.

FOR SALE

DX-40 used very little, with 4 xtals.
Heath H.W.29 A-6'er with 2 xtals.
50 ft coax RG8/U
Drake 2 A with Q mult & speaker 2 xtals.
Heath O-8 Scope with 2200 V. H.V. supply with RF probe.

Heath V4A-V.T.V.M. with demodulator probe.
All in mint condition.
J.E. Minear K8QHQ Land Line 452-7587

FOR SALE MOBILE GEAR
AF-67 and PMR-6A receiver.
Power supply 10-70, relays, Mike and three antennas.
One Selectronic antenna with 10 & 75 meter resonators.
Carmella Cicerello W8NAL, phone 833-3919

RED CROSS & AREC

28.8

50.7

The simulated emergency test on Oct 7 was very successful from the activity stand point.

With about three minutes to go before air time, yours truly was sure cutting it close. Thanks to K8RMY and K8KTM for having the station in order.

11 fixed and 6 mobiles checked in on 28.8

For six meters with K8OBW as NC, there were 11 fixed and 1 mobile.

Mr Robert Spangler executive director of the Canton chapter was guest observer and was well pleased with the test..

(con)

RED CROSS Net

Although it was a little out of order for a net operation, but interesting to have FG8XH give W8RTR a call, to say that we were being copied in Guadeloupe. With the forming of a Red Cross affiliated club in New Philadelphia and favorable news from the Massillon chapter, we hope to soon have a coordinated simulated test.

The New Phila club will be located at the Red Cross Chapter and club call is W8FPX, net operation 28.750 kc. The club now has a novice rig on the air and buy building a Heath Kit Marauder. An open house will be held on Nov 4, should you be in the New Philadelphia area on that date, drop in and pay them a visit.

::::::::::::::::::::

Wife : Will you love me when my hair turns grey ?".
Husband: "Why not? Haven't I stuck by you through brown, black, blond and purple ?.

::::::::::::::::::::

ADOLESCENCE: A time when a boy notices that a girl notices that he is noticing her.
UBANGI: A woman in Africa who can seal a letter after it is in the mailbox.

Running into debt isn't so bad...it's running into creditors that hurts.

Sept 22 62

Dear Hank

Just a short note to let you know I haven't forgotten all my good friends in Canton.

In case anyone is interested, my new call is K3VAP and am back on the air with a trap dipole. Have already had a few contacts with the local boys on 10 and with Canton on 75, of course I should also mention that I've already had a QSO on 20 with our old friend W6WLQ.

A'm getting ready to go mobile on 75, just can't do any good these days on 10. It will be awhile before I get the beam back up because we're building a new house (complete with ham shack of course!.)

73 Hank-say hello to all the Canton boys for me.

Jack Luck exK8HUI
111 Spring House Dr
Butler, Penn

Thanks Jack, for your most welcome note, your thoughts have now been conveyed to everyone via the FEEDLINE.

::::::::::::::::::::

Canton Ohio
W8NTQ is now K3TVF, his qth is 3510 Cheverly Ave, Cheverly Maryland. Is now a Lt in the navy, married and 4 Jr ops. Operates 80&40 meters with a RT46/TRC10 with 50 KC IF and VFO added. I sked him 3 times a week at 0100 GMT on 3510 KC.

I hope to get to next meeting which I hope is Oct 3-instead of OCT 4 as the letter stated.

73 W8KMF

PS: 30 years next July 14 that's a long time to be considered a nut"hi.
